Wells Fargo Hiring Manager

I have a Bachelor's of Business Administration-Management Information Systems from the University of Wisconsin, Oshkosh. I started off my career as a Certified Associate in Project Management (CAPM) via the Project Management Institute (PMI) but I have chosen not to maintain that certification going forward. Instead, I have invested my focus in Agile-related certifications as well as marketing and user experience design.

User Experience Design
The Team-W | Weinschenk Institute
2015 **https://cutt.ly/tCqjhTp**

Professional Scrum Master I
Scrum.org
2017 **https://cutt.ly/uCqk8Vh**

Digital Marketing (Coursera.org)
U of Illinois-Campaign/Urbana
2016 **https://cutt.ly/BCqjRaT**

Pro Scrum Product Owner I
Scrum.org
2019 **https://cutt.ly/ACqlov5**

Certified Less Practitioner
(provisional) Less.works
2021 **https://cutt.ly/fCqkaNP**

Certified Less Practitioner
(provisional) Less.works
2021 **https://cutt.ly/eCqlzFr**

Thank you for taking the time to look through my continued education and certifications. If you have any questions for me, please do not hesitate to reach out with any questions.

Sincerely,

Stephen McDonald
